# SOMMERS' POCKET DIRECTORY — OF — *Chicago,*

CONTAINING A COMPLETE AND REVISED LIST UP TO DATE OF ALL THE

Names and Locations of

ACADEMIES, BANKS, BUILDINGS, BLOCKS, CONSU-  
LATES, COLLEGES, DEPOTS, HALLS, HOSPITALS,  
HOTELS, AND PLACES OF AMUSEMENT.

And is intended for Gratuitous Distribution.

## NOTE.

As it has become customary for our Business Men—especially in advertising—to locate themselves in Buildings, Blocks, etc., and as few, if any, outside the occupants, know or remember its name, it is REQUISITELY NECESSARY FOR THE PUBLIC TO KNOW WHERE THESE PLACES ARE—or have a handy reference.

This fact becomes more perplexing when it is taken into consideration that the POCKET DIRECTORY contains nearly 500 distinct locations—over 100 more than any Directory ever published.

Besides, the cost (\$5.00), its large size excludes the CITY DIRECTORY from general circulation—and it is to be hoped that of our 400,000 city population every one may soon have a POCKET DIRECTORY.

Its value is apparent because it has become a necessity.
